

# Space Science Experience

## Website step by step user document

Please, feel free to send all your questions regarding these instructions (doubts or technical issues) to [david.cabezas@esa.int](mailto:david.cabezas@esa.int)

### INDEX:

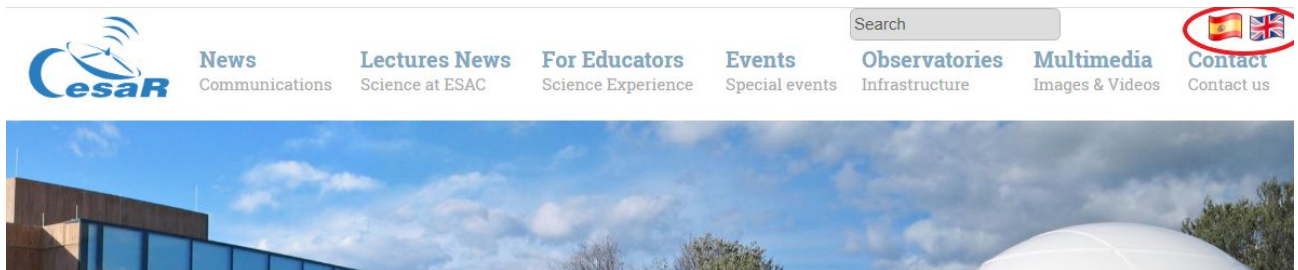

1. How to enter in the Space Science Experience section
2. Through the Space Experience section
3. Space Science Experience registration
4. Space Science Experience login
5. Book a day and session in ESAC Space Science Experience
6. To be done before the experience in ESAC (before the day of the visit)
7. To be done after the experience in ESAC (after the day of the visit)

## 1. How to enter in the Space Science Experience section

Go to the CESAR website clicking next link:

<http://cesar.esa.int>

You can choose your language at the top-right of the website

You have two ways to go into the Space Science Experience section:

**Option 1.** Through the CESAR home website you can see a big icon with the name “**Space Science Experience**”, you can click on this link to access the section.

Option 2. Click on “For Educators” link in the top menu

 [News](#) [Lectures News](#) [For Educators](#) [Events](#) [Observatories](#) [Multimedia](#) [Contact](#)  
Communications Science at ESAC Science Experience Special events Infrastructure Images & Videos Contact us

Search 

**Space Science Experience**  
*Work on scientific cases with us at ESAC or in your school*

**WHAT IS CESAR?**

CESAR is an educational ESA initiative whose main objective is to engage secondary school students with the wonders of astronomy and, more generally, science and technology.

See our [For Educators section](#) to see what experiences we offer.

[Read more about CESAR](#)

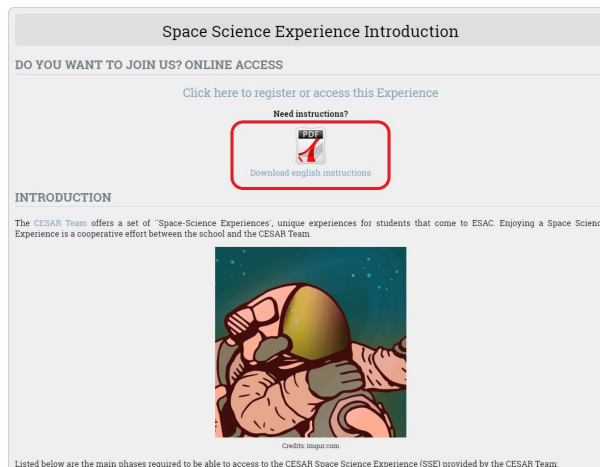

In “For Educators” section you can click on “Space Science Experience” link to see the introduction of this experience and the online access.

**For educators**

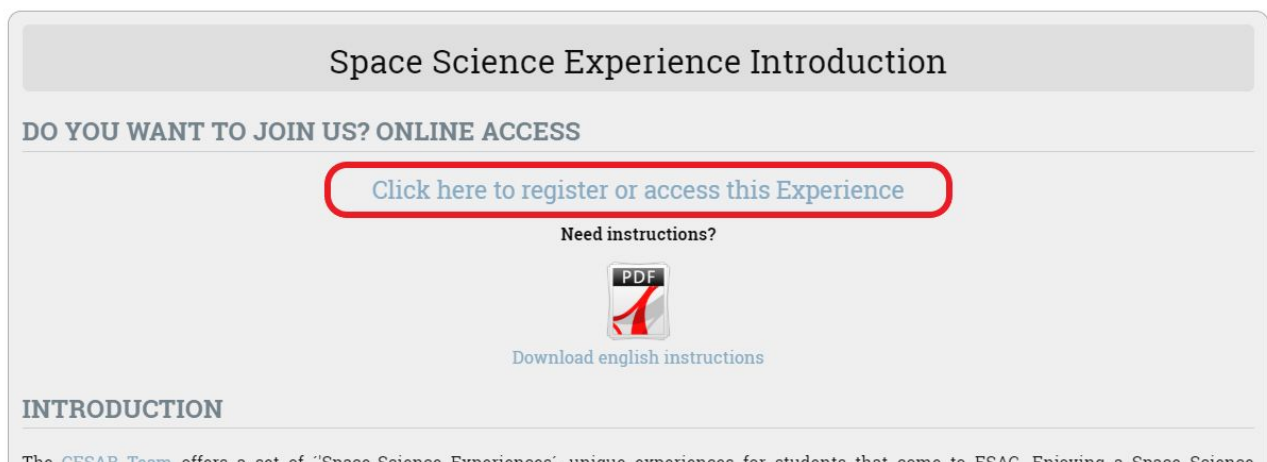

<p><b>INTERACTIVE SCIENCE CASES</b></p>  <p>Do science from your school</p>	<p><b>SPACE SCIENCE EXPERIENCE</b></p>  <p>A complete experience at ESAC</p>	<p><b>TEACHER TRAINING</b></p>  <p>Space Science Course at ESAC</p>
<p><b>BOOKLETS</b></p>  <p>Material to expand your knowledge.</p>	<p><b>THE SUN LIVE</b></p>  <p>Use the CESO to see the Sun live.</p>	<p><b>JOIN US</b></p>  <p>Collaborate with the CESAR team</p>

## 2. Through the Space Experience section

Now you are in the Space Science Experience section

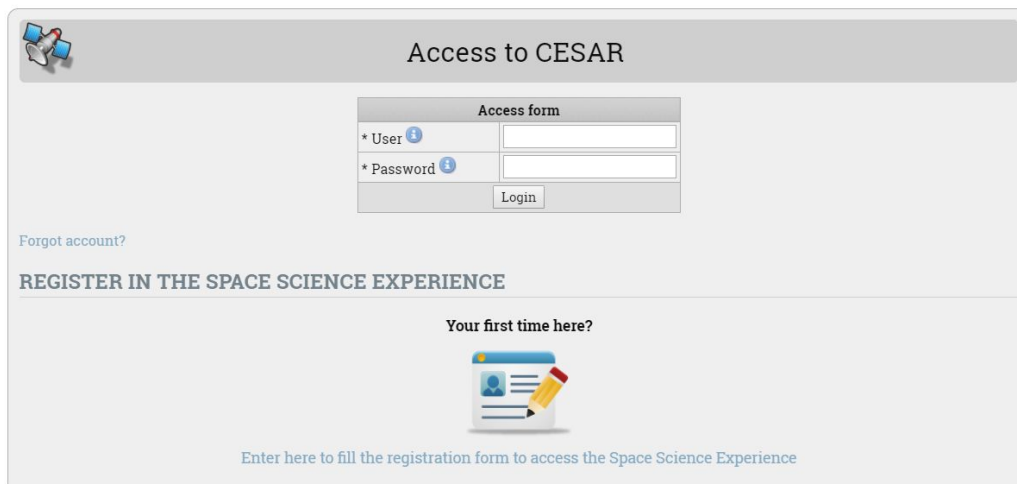

Please read carefully the “**Introduction**” of the Space Science Experience. If you want to join this experience and make a Science Case in our facilities at ESAC, click on the registration link in **Online Access** (see image).

## 3. Space Science Experience registration

Now you are in the Space Science Experience access and you have two options, login or register.

## HOW CAN I GET AN ACCOUNT?

If you don't have an account and is your **first visit** to this section you have to register. Click on the registration link (see image below).

### REGISTER IN THE SPACE SCIENCE EXPERIENCE

Your first time here?

[Enter here to fill the registration form to access the Space Science Experience](#)

1° Fill **all the data** in the form, we need the School data because the school needs to know that you will join this experience. Please use real data because we have to accept the registration.

## Access to CESAR

Register in the Space Science Experience to access to all our special tools and experiences.

Registration form	
<b>School data</b>	
* School name 	<input type="text"/>
* School complete address 	<input type="text"/>
* Province 	[Choose] ▼
* Director Name 	<input type="text"/>
* School Contact Name 	<input type="text"/>
* School Contact Phone 	<input type="text"/>
* School Contact E-Mail 	<input type="text"/>
* School type 	[Choose] ▼
<b>Teacher data</b>	
* Teacher Name 	<input type="text"/>
* Teacher Surname 	<input type="text"/>
* Teacher E-Mail 	<input type="text"/>
* Teacher Phone 	<input type="text"/>
* Grade Information 	<input type="text"/>
<input type="button" value="Send registration information"/>	
* Mandatory	

### Notes:

- The school's e-mail and the teacher's e-mail have to be different.
- In grade information write the group or groups interested in the experience.
- Move the mouse over the information icon  to know more about the field.

### 2° Send the form

Send the form and you will see the message "**Registration completed**" (see next image)

**Registration completed**

**Access to CESAR**

Registration correctly! If you write real data we will approve your registration and you will receive an e-mail with the user and password during next days.

Register more teachers in the same school:

3º You can add more teachers from the same school (as an option) that want to join the experience. They can make the registration later but this option is quicker.

4º Wait for the e-mail confirmation, now we have all the data we need, CESAR team **will accept your registration only if all the data is real**, so wait between 24-48 hours to be accepted (labor day).

## 4. Space Science Experience login

When we accept your registration you will receive an e-mail with the login, the password, and some instructions to connect.

**CESAR/ESA Space Experience. Accepted in the programme, follow the instructions**

De	CESAR/ESA
Destinatario	[Redacted]
Fecha	Hoy 11:53

Welcome to the Space Science Experience.

Here you have the login and password:

Login: [Redacted]  
 Password: [Redacted]

You can enter into the [CESAR website and login in the Space Science Experience](#)

Use your login and password to connect to the Space Science Experience

Note: The direct link is [http://cesar.esa.int/index.php?Section=User\\_Access](http://cesar.esa.int/index.php?Section=User_Access)

**Access to CESAR**

**Access form**

* User	<input type="text" value="teacherlogin"/>
* Password	<input type="password" value="....."/>
<input type="button" value="Login"/>	

[Forgot account?](#)

**REGISTER IN THE SPACE SCIENCE EXPERIENCE**

**Your first time here?**

[Enter here to fill the registration form to access the Space Science Experience](#)

1° Write login and password

2° Click "Login"

If everything is correct you will be directed into the Teachers internal section.

The screenshot shows the 'Access to CESAR' page with the following sections:

- Access to CESAR** (with a link to 'edit this section')
- SPACE SCIENCE EXPERIENCE IN ESAC**: Includes a description of the 'Space Science Experience' and links for 'ENTER THIS EXPERIENCE', 'NEED HELP?', and 'CONTACT US IF YOU NEED HELP'.
- STUDENTS WORK EXPERIENCE IN ESAC - 4º ESO + EMPRESA**: Includes a description of the program and a link 'ENTER HERE TO REGISTER YOUR STUDENTS'.
- TEACHERS TRAINING WORKSHOP**: Includes a link to 'Contact with CTIF Madrid' and a link to 'See last training course'.
- TALK WITH AN ASTRONOMER**

On the top of this website you will see the access to the different experiences, your name, a logout link and special notifications.

The screenshot shows the website header with the following elements:

- Navigation links: [Go to home](#), [Teachers Access](#), [Hello I \[name\]](#), [\(Logout\)](#), [Space Science Experience](#)
- Search bar
- Language flags: Spanish and English
- Menu items: [News](#) (Communications), [Lectures News](#) (Science at ESAC), [For Educators](#) (Science Experience), [Events](#) (Special events), [Observatories](#) (Infrastructure), [Multimedia](#) (Images & Videos), [Contact](#) (Contact us)

If you want to reserve a day for a Space Science Experience at ESAC, follow the next chapter.

### DID YOU FORGOT YOUR PASSWORD ACCOUNT ?

If you lose the password and the e-mail with the password, you can remember it by clicking in "Forgot account?"

The screenshot shows the 'Access to CESAR' login form with the following fields:

- Access form**
- \* User (with a help icon)
- \* Password (with a help icon)
- Login button
- [Forgot account?](#) (circled in red)

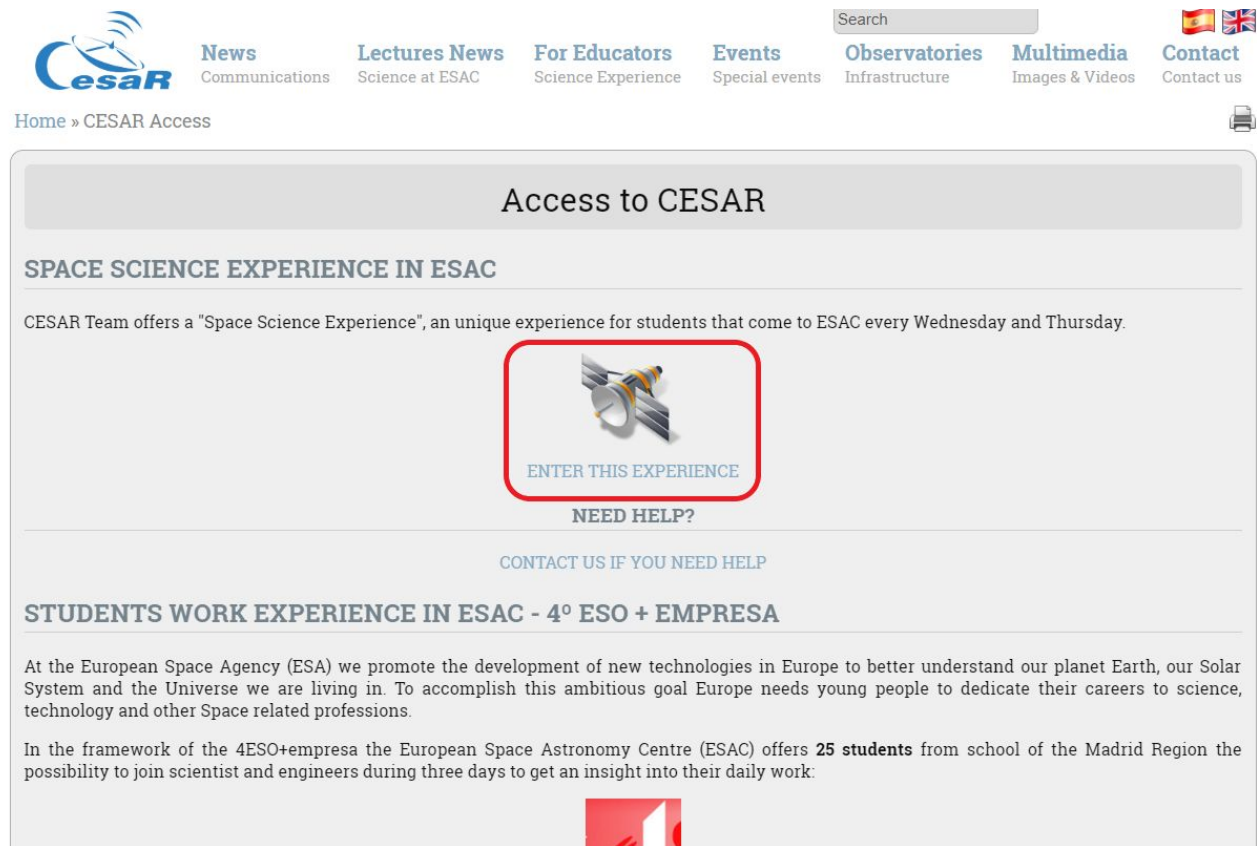

The screenshot shows the 'Forgotten your password?' form with the following fields:

- Forgotten your password?**
- Write the e-mail of your account:
- E-Mail: [input field]
- Send e-mail confirmation \*
- \* You will receive an e-mail with a key to reset your password

Write your e-mail account to send an e-mail confirmation, then follow the instructions, you will receive a new password for your account.

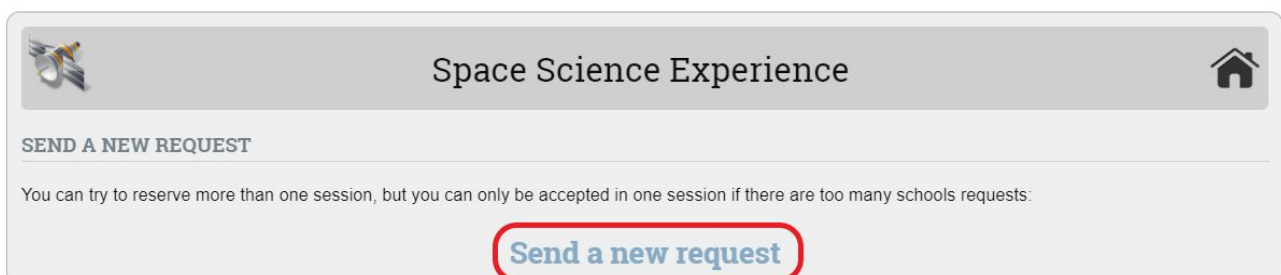

## 5. Book a day and session in ESAC Space Science Experience

When you are connected with your teacher's account you can book one day in the Space Science Experience. First go into the Space Science Experience:

The screenshot shows the top navigation bar of the CESAR website. The logo is on the left, followed by menu items: News (Communications), Lectures News (Science at ESAC), For Educators (Science Experience), Events (Special events), Observatories (Infrastructure), Multimedia (Images & Videos), and Contact (Contact us). There is a search bar and flags for Spain and the UK. Below the navigation is a breadcrumb trail: Home » CESAR Access. The main content area has a grey header 'Access to CESAR'. Underneath is the section 'SPACE SCIENCE EXPERIENCE IN ESAC'. The text describes the experience: 'CESAR Team offers a "Space Science Experience", an unique experience for students that come to ESAC every Wednesday and Thursday.' A red-bordered button with a satellite icon and the text 'ENTER THIS EXPERIENCE' is highlighted. Below it are links for 'NEED HELP?' and 'CONTACT US IF YOU NEED HELP'. The next section is 'STUDENTS WORK EXPERIENCE IN ESAC - 4º ESO + EMPRESA', with text explaining the partnership with ESA and the offer of 25 student places.

When you enter for the first time, you can see only one option, "Send a new request". Click on this link to book an ESAC visit day (for the CESAR Science Experience).

The screenshot shows the 'Space Science Experience' booking page. It features a satellite icon on the left and a home icon on the right. The main heading is 'Space Science Experience'. Below it is a button labeled 'SEND A NEW REQUEST'. The text below the button reads: 'You can try to reserve more than one session, but you can only be accepted in one session if there are too many schools requests:'. A red-bordered button with the text 'Send a new request' is highlighted.

You will see the next form:

## Space Science Experience

If you want to join the Space Science Experience with CESAR in ESAC installation please follow the next instructions:

### 1. WHAT MAIN LANGUAGE DO YOU WANT FOR THE EXPERIENCE?

We have the possibility to make the experience in english or spanish, please choose the best option to your students. Does not influence when choosing the school, we need this information to prepare the visit and the documentation in the selected language.

[ Choose the language ] ▾

### 2. CHOOSE YOUR CLASS AGE

If there are different ages please write it in the motivational text.

[ Years ] ▾

### 3. WRITE THE GRADE

Very important to select your request  
Example: 5° Primaria

### 4. CHOOSE THE SPACE SCIENCE ACTIVITY

[See all activities in other website](#)

[ Choose Science Activity ] ▾

### 5. RESERVE DATE IN THE CALENDAR AND THE SESSION

The limit of each session is 55 students. If you manage a bigger group choose two sessions **in different hours** the same day. **Maximum 55 students each session**

[ Select the date and hour ] ▾

**Iremos ofreciendo nuevos dias de visita conforme se vayan cerrando las mismas.** Por favor asegúrese de elegir un dia en el que su clase tenga disponibilidad, para no ser penalizados si lo cancelasen una vez aceptada.  
La aceptación puede tardar desde una semana hasta varios meses (sobre todo con el cambio de año). Si por no recibir respuesta ya han decidido realizar otra actividad en ese dia, por favor anule su solicitud de reserva para no ser penalizado para próximas visitas.

### 6. WRITE A MOTIVATIONAL TEXT

(Example: the kids are very interesting, is the topic of this year, etc.)

### 7. WRITE THE NUMBER OF STUDENTS OF THE VISIT

We want to reach the maximum of students we can (55 students), write the number of the students during the visit. Knowing that the maximum is 55 students we will evaluate positively if the number that visits us is close to 55 students

If you write a number of students and during the visit is too different we will evaluate the school negatively when the visit is finish.

### 8. WAIT FOR CONFIRMATION

Send this proposal and wait for the confirmation, if there are more than one proposal CESAR committee will decide the school proposal.

## HOW CAN I SEND A REQUEST?

Sending a new request is very simple, you have to fill the form in and send it. In the form you will see the following fields:

1. Choose the experience language.

1. WHAT MAIN LANGUAGE DO YOU WANT FOR THE EXPERIENCE?

We have the possibility to make the experience in english or spanish, please choose the best option to your student choosing the school, we need this information to prepare the visit and the documentation in the selected language.

[ Choose the language ] ▾

[ Choose the language ]

English

Spanish

CLASS AGE

If there are different ages please write it in the motivational text

2. Choose the age of the class interested in the experience.

[ Years ] ▾

[ Years ]

07-08 years

08-09 years

09-10 years

10-11 years

11-12 years

12-13 years

13-14 years

14-15 years

15-16 years

16-17 years

17-18 years

3. Write the grade.
4. Choose the Space Science Activity (you can see the different cases in the Space Science Experience introduction).

[ Choose Science Activity ] ▾

[ Choose Science Activity ]

Constellations (recommended age 8 to 11)

Mars landing (recommended age 14 to 15)

Mission to the Moon (recommended age 7 to 8)

Motion of a coronal mass ejection (recommended age 14 to 15)

Stellar composition (recommended age 16 to 17)

Study of stars temperature through color (recommended age 7 to 10)

Study through the electromagnetic spectrum (recommended age 14 to 14)

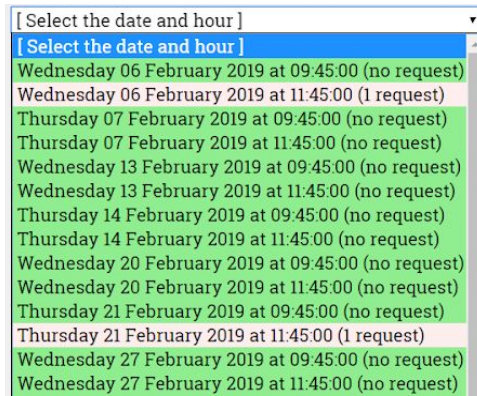

Sun Rotation (recommended age 12 to 13)

The Hertzsprung Russel Diagram (recommended age 16 to 17)

The Mass of Jupiter (recommended age 17 to 18)

Topography with Sentinel (recommended age 10 to 12)

5. Reserve date and session in the calendar. **The maximum per session is 55 students**, if you have more students please try to select another session in the same day sending a new request.

6. Write a motivational text.

7. Write the number of students of the visit.

8. Send the form and wait for approval.

**8. WAIT FOR CONFIRMATION**

Send this proposal and wait for the confirmation, if

### Message before final sending

You are going to send a proposal to visit us, you will not be able to make changes to your proposal. Do you want to continue?

**Space Science Experience proposal sent**

**Space Science Experience** 

**SPACE SCIENCE EXPERIENCE PROPOSAL SENT**

Thank you for your proposal, you will receive soon an answer, remember that there are a lot of schools interested in the experience.

[Go to Space Science Experience home](#)

### Tips and notes:

- There are too many schools who want to join us so please choose a day without requests to have more possibilities to be accepted.

### Selection criteria if there are too many schools:

- New schools have priority.
- The first requests we receive have priority (date-hour order).
- The motivational text can change the priorities so please send request if you and your class is very interested.
- All the school and teachers have an internal evaluation, we will evaluate the experience and we will consider it for the next requests. Bad or not completed experiences can be essential for acceptance.

### **WHEN I WILL RECEIVE THE SESSION APPROVAL?**

You have to wait for 1 week after you send your request approval, the time we leave to accept more requests. During this time you can see all your request in the same section (see image below).

## Space Science Experience

### YOUR PROPOSALS

You have some proposals waiting answer or accepted

Date	Hour	Status	Activity name	Info	Action
13 March 2019	09:45	Pending	Constellations		Waiting <input type="button" value="Delete"/>

### SEND A NEW REQUEST

You can try to reserve more than one session, but you can only be accepted in one session if there are too many schools requests:

[Send a new request](#)

### **REQUEST ACCEPTED OR REJECTED?**

You can receive two kinds of e-mails:

1. Request accepted e-mail. If we accept your request you will receive an approval email with the session data and you can continue to next chapter.

ESA Space Experience. Proposal approved, prepare your visit  Recibidos x

---

 no-reply@esa.int

Your proposal has been approved

Now you can prepare your visit to ESAC, follow the instructions for the visit in the [Science Space Experience Zone](#).

You have to complete all the steps to be able to come to ESAC.

**Visit data:**  
Date: 2017-01-18 11:30:00  
Science Activity: The Colour of the Stars  
School: Colegio ██████████  
Teacher (visit responsible): ██████████

E-Mail if your request is approved

Date	Hour	Status	Activity name	Info	Action
26 February 2018	09:45	Accepted	The Mass of Jupiter		<a href="#">Complete the Experience</a>

2. Request rejected e-mail. If we accept a request other than yours, you will receive a request rejection email. This is normal because we receive plenty of requests and we only have two days per week. In this case you can wait for the next open session days, you will receive an e-mail for that.

Date	Hour	Status	Activity name	Info	Action
08 October 2018	09:45	Rejected	Topography with Sentinel		-

## 6. To be done before the experience in ESAC (before the day of the visit)

If you receive an e-mail with the “Request accepted” you can now prepare the visit.

### HOW CAN I PREPARE THE VISIT?

Login into the Space Science Experience. You will see your request accepted and you can continue preparing the visit experience.

Click on “Complete the Experience”.

**Space Science Experience**

**YOUR PROPOSALS**

You have some proposals waiting answer or accepted

Date	Hour	Status	Activity name	Info	Action
26 February 2018	09:45	Accepted	The Mass of Jupiter		<b>Complete the Experience</b>

**SEND A NEW REQUEST**

Once you are in the accepted day, you will have to complete these steps before the visit (see image below).

**Space Science Experience**

**Prepare your visit the 09 November 2020 at 11:30:00 (Id: 19)**  
Activity: Study of stars temperature through color

You have a day assigned to visit ESAC and have a Space Science Experience with us, to prepare the visit please follow the next instructions, you only can visit us if you **complete everything one week before the visit**.

**1. VIDEOS TO SEE BEFORE THE VISIT** ❌

Enter the video section  
Do you see the recommended videos?    
We will ask the children about the videos.

**2. SELECT HOUR FOR SKYPE STREAMING WITH AN ESA EXPERT** ❌

Before the visit we make a little videoconference to talk about the visit, please choose the best hour for you:

Connection	Date	Hour
* Skype test session (only with teacher): Note: To make the test you can call "cesarprogramme@gmail.com" during any morning, if we are available we can test it before		
* Skype final session (with students):	Monday 02 November 2020	[ Select one hour ] ▾
* You skype account (to make the connection):	<input type="text"/>	
Please write your telephone for better contact and some comment if you want (if you can't do that date write here)	<input type="text"/>	
<input type="button" value="Send"/>		

**3. TEACHER AND STUDENT LIST** ❌

Write the list in the next textbox, please write the DNI of the teachers and only name and surname of the students.

Number of students:   
 Number of teachers:   
 Number of classes in this session:   
 List of teachers and students:

List example:  
Profesores:  
Paco Garcia - DNI 123456789A

Estudiantes:  
Carlos Gutierrez  
Alvaro Sanchez  
...

Send

**¡IMPORTANT!** This list is for ESAC Security and allow the access to the installations, please send real data.

**4. FIVE QUESTIONS TO THE EXPERT** ❌

Write 5 questions to be solved by the ESA expert during the visit

Question 1

Question 2

Question 3

Question 4

Question 5

Send

**5. OPTIONAL: UPLOAD ONLINE THE PHOTOGRAPHY AUTHORIZATION** ❌

\*If you upload the authorizations you will get more points for next visits

[Download this photography authorization form](#), you have two options:

1º Upload the students photography authorization in PDF or ZIP file:

Authorizations file:  Ningún archivo seleccionado

Authorization comments about the file:

Send

2º Take all the authorizations in paper the day of the visit.

**READY FOR THE ESA EXPERIENCE? NO** ❌

Please complete everything the week before the visit. After the visit you must complete the last information and feedback about the activity.

**Steps:**

**1. Watch some videos.** Around two weeks before the visit you will have to show the videos about ESA and the Scientific Case to the students.

**1. VIDEOS TO SEE BEFORE THE VISIT** ❌

[Enter the video section](#)

Do you see the recommended videos?  Send

We will ask the children about the videos.

When you finish the videos please check the question “Do you see the recommended videos?” and send it to us.

**1. VIDEOS TO SEE BEFORE THE VISIT** ✓

[Enter the video section](#)

Do you see the recommended videos?  Send

We will ask the children about the videos.

You will see this if you check and send

**Note:**

The ESA experts will ask about the videos to the students.

**2. Set skype session.** Two weeks before the visit we also need to know when do you want to make the streaming with an ESA Expert.

The Friday before the visit is for Skype testing and the Monday is for the real connection but this depends on the school. Choose the best hour to the class connection between 10:00 and 12:00.

## 2. SELECT HOUR FOR SKYPE STREAMING WITH AN ESA EXPERT ❌

Before the visit we make a little videoconference to talk about the visit, please choose the best hour for you:

Connection	Date	Hour
* Skype test session (only with teacher): Note: To make the test you can call "cesarprogramme@gmail.com" during any morning, if we are available we can test it before		
* Skype final session (with students):	Monday 02 November 2020	[ Select one hour ] [ Select one hour ] 10:00 10:30 11:00 11:30 12:00
* You skype account (to make the connection):	<input type="text"/>	
Please write your telephone for better contact and some comment if you want (if you can't do that date write here)		
<input type="text"/>		
<input type="button" value="Send"/>		

When you choose the hour we will receive a notification to reserve that hour in the calendar.

## 2. SELECT HOUR FOR SKYPE STREAMING WITH AN ESA EXPERT ✅

Before the visit we make a little videoconference to talk about the visit, please choose the best hour for you:

Connection	Date	Hour
* Skype test session (only with teacher): Note: To make the test you can call "cesarprogramme@gmail.com" during any morning, if we are available we can test it before		
* Skype final session (with students):	Monday 02 November 2020	11:00
* You skype account (to make the connection):	<input type="text" value="askypeaccount"/>	
Please write your telephone for better contact and some comment if you want (if you can't do that date write here)		
<input type="text" value="917777777 and mobile 677777777"/>		
<input type="button" value="Send"/>		

3. **Send the teachers and students list.** Write the exact number of students, the number of teachers and write the list with the students' and teachers' names and last names (teachers with ID number)

## 3. TEACHER AND STUDENT LIST ✅

Write the list in the next textbox, please write the DNI of the teachers and only name and surname of the students.

Number of students:	<input type="text" value="53"/>
Number of teachers:	<input type="text" value="3"/>
Number of classes in this session	<input type="text" value="2"/>
List of teachers and students	List example:
Profesores: Paco Garcia - DNI 123456789A Laura Gonzalez - DNI 12346888A	Profesores: Paco Garcia - DNI 123456789A Laura Gonzalez - DNI 12346888A
Estudiantes: Carlos Gutierrez Alvaro Sanchez ....	Estudiantes: Carlos Gutierrez Alvaro Sanchez ....
<input type="button" value="Send"/>	

¡IMPORTANT! This list is for ESAC Security and allow the access to the installations, please send real data.

4. **Send five questions to the expert.** This field is mandatory, send 5 questions to ask about the ESA, the videos that you have seen, the scientific case, etc.

**4. SEND FIVE QUESTIONS TO THE EXPERT** ❌

Write 5 questions to be solved by the ESA expert during the visit

Question 1

Question 2

Question 3

Question 4

Question 5

5. **Upload the photography authorization.** You have to come to ESAC with all students photography authorization. We strongly recommend to send us the scanned authorizations before your visit (this option is better for us).

Download the authorization and send it to the students parents.

**5. OPTIONAL: UPLOAD ONLINE THE PHOTOGRAPHY AUTHORIZATION** ❌

\*If you upload the authorizations you will get more points for next visits

[Download this photography authorization form](#), you have two options:

1º Upload the students photography authorization in PDF or ZIP file:

Authorizations file:  Ningún archivo seleccionado

Authorization comments about the file:

Finishing all the steps we will check the information and approve your visit.

**READY FOR THE VISIT EXPERIENCE? YES** ✓

You are ready for the visit. After the visit you must complete the last information and feedback about the activity.

With everything ready is the time to wait for the experience at ESAC. If you have any question please submit it through the Contact section: <http://cesar.esa.int/?Section=Contact>

#### **WHEN I KNOW EXACTLY THAT I AM READY FOR THE VISIT?**

After completing all the steps our team will confirm your data and accept it. **You will receive an e-mail** to remember you that everything is ready.

If something is not ready you will receive different automatic e-mails to remember you everything.

**Space Science Experience**

YOUR VISIT IS READY, PLEASE CONNECT HERE AFTER THE VISIT TO SEND YOUR FEEDBACK AND GET SPACE SCIENCE EXPERIENCE POINTS

Date of the visit: **09 November 2020 at 11:30:00**

**1. VIDEOS TO SEE BEFORE THE VISIT** ✓

Enter the video section  
We will ask the children about the videos.

**2. SELECT HOUR FOR SKYPE STREAMING WITH AN ESA EXPERT** ✓

Skype test session (only with teacher)  
Note: To make the test you can call "cesarprogramme@gmail.com" during any morning, if we are available we can test it before 0000-00-00 00:00:00  
Skype final session (with students) **2020-11-02 11:00:00**

**3. TEACHER AND STUDENT LIST** ✓

Number of students: **53**  
Number of teachers: **3**  
Número de clases: **2**  
Final list:  
Profesores:

If you go into your session, you will see all the data

## 7. To be done after the experience in ESAC (after the day of the visit)

After your experience at ESAC, you have to complete the last steps to finish your experience. You will receive an e-mail to complete the final steps.

**1º Complete the quality survey.** Complete the survey with your comments, we need this to improve the experience.

**Space Science Experience**

YOU HAVE FINISHED YOUR EXPERIENCE IN ESAC, PLEASE COMPLETE THE NEXT STEPS TO COMPLETE THE EXPERIENCE

Thanks for your visit, please complete the next data to finish your Space Science Experience

Date of the visit: **21 January 2017 at 11:30:00**  
Activity: **Study of stars temperature through color**

**1. WE NEED YOUR FEEDBACK. QUALITY SURVEY** ✗

Complete the next form to evaluate your visit and improve it for the next time

**Desde la perspectiva de los participantes, ¿que les ha parecido la visita?**  
1 2 3 4 5 6 7 8 9 10  
Poco interesante           Muy interesante

**¿Les parece que la duración de la visita es la adecuada?**  
 Sí  
 No, debería de ser más corta  
 No, debería de ser más larga

**¿Creen que el contenido se adecua a la edad de los participantes?**  
1 2 3 4 5 6 7 8 9 10  
En absoluto           Perfectamente

**¿Cuál es su valoración sobre la presentación inicial y las respuestas a las preguntas?**  
1 2 3 4 5 6 7 8 9 10  
Pésima           Excelente

**¿Cuál es su valoración sobre la visita guiada por las instalaciones?**  
1 2 3 4 5 6 7 8 9 10  
Pésima           Excelente

**¿Cuál es su valoración sobre el caso práctico?**  
1 2 3 4 5 6 7 8 9 10  
Pésima           Excelente

**¿Han ampliado o van a ampliar el caso práctico en las aulas?**  
 Sí  
 No

**2º Send your group abstract.** Please send all the abstracts to finish the experience.

## 2. SEND THE GROUPS ABSTRACTS

Send the abstracts (summary) about the scientific cases you made in ESAC. **IMPORTANT:** If you send the text you can't change it.

Send

### PLEASE COMPLETE THE COMMENTS AND THE ABSTRACT TO FINISH THE EXPERIENCE

We will evaluate all the process and the school for next experiences.

**Note:**

- We will evaluate all the abstracts, the best abstracts will receive the Space Science Experience Award here in ESAC.
- Complete all the steps to positive evaluation and your next school experiences.
